The exhibition in the Henry Preiss Hall, in honour of John Clarke (1946–2021), Wim Blom (1927–2021), Eric Lubisi (1946–2020), Jürgen Schadeberg (1931–2020), Alice Elahi (1926–2020), Andrew Verster (1973–2020) and Hannatjie van der Wat (1923–2020), showcases some of their artworks in the museum's permanent collection. We also pay our respects to ceramic artists Drury Brand (1936–2020), Paul de Jongh (1970–2020) and Ronnie van der Walt (1951–2020).

**PIETER WENNING AND HUGO NAUDÉ, CONTEMPORARIES | East Gallery | Until April 2021**

This exhibition comprises artwork from the Pretoria Art Museum's collection. Pieter Wenning (1873–1921) was born in the Netherlands, and Hugo Naudé (1869–1941) was born in South Africa. Hugo Naudé studied in Europe, while Pieter Wenning

was a self-taught artist, and through visiting European galleries and museums, they kept abreast of the modern art movements of the time. Both their artworks display a sombre pallet influenced by the grey European sky. Although the subject matter sometimes differs, it is interesting to see the visible change of colour pallet once they moved to South Africa. This is an interesting exhibition of artworks that have not been exhibited recently.

### ***A STORY OF SOUTH AFRICAN ART | Ongoing | Albert Werth Hall***

This selection of artworks from the permanent collection of the Pretoria Art Museum briefly reviews South African art. It includes works by early 20<sup>th</sup> century painters, the Resistance artists of the 1980s and artists of the 21<sup>st</sup> century. The exhibition is based on the secondary school syllabus, and the artworks are rotated regularly.
