Sasol New Signatures Art Competition 2021

With the advent of Covid-19, there is a greater need for innovators and creators who will shape the world anew and inspire change. Taking on this challenge, the 2021 Sasol New Signatures Art Competition has created a space for eligible emerging artists to imagine, transgress, transcend, disrupt, and innovate through their creativity.

As we march into a new world, visual artists are best equipped to make sense of our dynamic, interconnected, and challenging environments. By promoting art that is ingrained with the spirit of possibility and potentiality, the Sasol New Signatures Art Competition is not just another art competition – it is an enabler for emerging artists to not only expand the possibilities of art, but to also inspire innovation and change.
